## JSDC On the Road

*JSDC attended The North Dakota Department of Commerce's 2023 Developer Day in late August in Bismarck.*

*JSDC attended the Economic Development Association of North Dakota's 2023 Fall Conference this month in Bowman.*

### The JSDC Remembers Commissioner Cichos

We were deeply saddened to hear of the passing of Stutsman County Commissioner Steve Cichos last month.

Steve Cichos served on the first board of directors for JSDC when it was organized and was a past president of the board. He had served on the Stutsman County Commission and acted as the appointed county representative on the board of directors for JSDC from 2019 to 2023.

We are forever grateful for his service to the Jamestown/Stutsman Development Corporation and the Jamestown/Stutsman County area as a whole.

## Sale of Final Lot of Bloom Business Park Approved

The JSDC Board of Directors voted to approve the sale of Lot 4 of the Bloom Business Park at their September meeting for a cost of \$10,000 per acre. Lot 4 is 10.85 acres, with the total purchase price being \$105,800.

All Day Trucking is purchasing land to support its agricultural commodity and transportation business that focuses on sourcing, handling, storage, and manufacturing ag byproducts. A series of flat storage buildings and commodity handling equipment will be able to store, unload, and reload byproducts on the lot. The project will also provide current and future ag processors in the area with a place to store and ship their excess byproducts until market opportunities arise.

### Fall Internship Reimbursement Applications Approved

The JSDC Board of Directors approved two internship reimbursement applications at their September meeting.

JSDC matches up to half of the payroll costs per approved intern up to a maximum reimbursement of \$3,500. The program is open to employers in Stutsman County

### Peterson Ag Solutions Flex PACE Request Approved

The JSDC Board of Directors voted to approve the Flex PACE request of up to \$85,714.31 for interest buydown for Prime Properties at their September meeting.

Peterson Ag Solutions is building a state-of-the-art agronomy facility to sell and store seed and crop protection products. This building will increase access to products and services for local farmers as well as allow load times to decrease for seed and crop protection products to help efficiency for the community.
